APPLICATION FOR THE DOCTORAL DISSERTATION PROPOSAL

The undersigned …………………..…,

born on …………………..…, in …………………..…,

address: …………………..…,

telephone: …………………..…,

email: …………………..…,

employed at: …………………..…,

would like to request the Senate of the Faculty of Computer and Information Science of the University of Ljubljana to approve the doctoral dissertation proposal:

Title in English: …………………..…

Title in Slovene: …………………..…

Mentor: …………………..…

Co-mentor: …………………..…

Study programme: Computer and information science

Date of the first enrolment in doctoral studies: …………………..…

Ljubljana, …………………..…   Candidate: …………………..…

In addition to this application, the registration of the doctoral proposal should also contain the following documents, collated into a single document (PDF):
1. the doctoral dissertation proposal (3 to 5 pages without the bibliography) containing the title, the scientific field of the doctoral dissertation, and the description of the research problem, which includes:
   - a brief overview of the narrow research field and a presentation of the related work in the field of the doctoral dissertations as well as the main intention of the proposed research work,
   - clearly presented and briefly described hypotheses or researcher's questions or research goals,
   - the design of the research work and the description of research methods,
   - a clear argument stating the expected results and novel contributions to science,
   - a list of relevant literature in the field of the doctoral dissertation;
2. Curriculum Vitae of the doctoral student with his bibliography (a list of the most important scientific, professional, project and other works and achievements);
3. a copy of the Master's degree diploma.

In a separate document (PDF) provide also:
4. the consent of the mentor and the potential co-mentor and a list of their 3 to 5 scientific references in the field of the doctoral dissertation proposal and their SICRIS code of researcher.

If necessary, the application shall also include the consent of the research ethics committee, as a separate document (PDF).

Submit the application to the Student Affairs Office in electronic form (searchable PDFs). You can sign the application and all documents with a digital certificate. If you sign in your own handwriting, send also the original signed copy in printed form to the Student Affairs Office.
