MASTER DEGREE PROGRAMMES 2017/2018

Univerza v Ljubljani

Resolutely on the chosen paths

Dear prospective master degree student,

It is my pleasure to invite you to study at the University of Ljubljana, the oldest and most prominent University in the Republic of Slovenia and one of the biggest in Europe. Master studies at the University of Ljubljana offer advanced study, research and specialization in practically all fields of education, be it art, natural sciences, social sciences, health and medicine. Our programmes include interdisciplinary combinations as active response to the environmental and societal developments worldwide. We excel in many fields of research constituting and establishing bordering combinations of scientific and professional fields such as cognitive science, applied statistics, environmental challenges, sustainable development, risk managements and other challenges facing humankind at present and even more in the future. The degree programmes are designed to provide research opportunities, international experience and largely tailor made curricula meeting your individual interests, connected with the profession and the career you wish to pursue. Graduate education at the University of Ljubljana is designed not only as high quality teaching and learning, but also as a combination of contemporary evolution of disciplines, their combinations and future trends in which you are invited to actively participate.

So, take a new step towards mastering your profession, join the vibrant academic community of the University of Ljubljana and become our alumni.

Sincerely,

Polonca Miklavc Valenčič,
Head of the University Office for Bachelor and Master Degree Programmes

The University of Ljubljana accredited over 200 master degree programmes, more than 10 are joint, i.e. accredited and provided jointly by the University of Ljubljana and universities from abroad. Not all accredited master degree programmes are offered for enrolment every year. University Members (faculties and academies) offer 195 master degree programmes in the academic year 2017/2018. The programme provision is published in the annual Call for enrolment, published on www.uni-lj.si/study/master, expected in **February** for the next academic year.

The Call includes offered degree programmes, the relevant programme data regarding study duration, entry requirements, and access criteria, number of available places, mode and place of study.

Candidates are provided with explanations of entry requirements and costs of study at the University Member (academy or faculty), contacts, together with information about enrolment application, application deadlines, required evidence of fulfilment of entry requirements, and any special talents testings.

The listed fees are valid for the 2017/2018 academic year. Administrative costs and compulsory health insurance are not included in the fees. These needs to be taken care of before the start of the studies.

The price list is published at:
www.uni-lj.si/study/master

Fee is paid by:

- students of non-EU countries, excluding persons granted international protection, applicants for international protection and persons from countries with which the Republic of Slovenia has concluded bilateral agreement (Slovenia has concluded bilateral agreements with Macedonia, Bosnia and Herzegovina, Serbia, Montenegro and Kosovo);
- all part-time students;
- all students with already acquired equivalent degree of education.
